

Invite a User to the Platform

Note that when you add a new user, they are automatically invited to the selected dairy.

The screenshot displays the 'User Management' section of a web application. At the top, there is a search bar labeled 'Search for Cow ID' and a user profile for 'Athene Adkisson'. Below the search bar are three navigation tabs: 'SAMPLE DAIRY', 'DAIRY CONFIGURATION', and 'USER MANAGEMENT'. The main heading is 'User Management', with sub-tabs for 'USERS' and 'ROLES'. A red arrow points to the 'ADD NEW USER' button. Below this is an 'Access Pending' section and a table of users.
